FASTAID R2 EDUCATION RESPONSE™ METAL CABINET FIRST AID KIT

Description

- White metal wall mount cabinet
- Quality heavy gauge steel
- TGA registered no. 128314
- Compliant for 1-25 person education workplaces
- Ideal for schools and other education places

The FastAid R2 Education Response™ first aid kit is a premium first aid kit compliant to WHS regulations for first aid in the workplace as well as ACECQA (Australian Children's Education & Care Quality Authority).

This first aid kit complies with national WHS regulations for workplaces with 1-25 persons and includes specific first aid items for treating injuries common in places of education as well as including a portable playground Personal first aid kit with belt loops.

A comprehensive range of premium hospital grade contents are included in the FastAid R2 Education Response™ kit, such as adhesive plasters, digital thermometer, disposable splinter probes, hydrogel burn gel, eye wash, instant ice pack, gauze dressings, conforming bandages and much more.

Unique colour coded contents make locating the right item in an emergency faster and easier.

FastAid's first aid metal wall cabinets are built from a heavier gauge steel than standard to ensure they stand up to the rigours of the workplace. The organisation sleeve on the inside of the cabinet door provide space for you to place your high use first aid items and treatment guidance to ensure fast and easy access.
