(made from recycled shopping bags)

These mats are designed using Indigenous symbols, the symbols are used as a form of communication, a way to tell a story, instruction or direction. The versatility, light weight durability of the recycled polypropylene play mats are only enhanced by how easy they are to keep clean. Simply vacuum up the spills, give the mat a quick wash with soapy water, then toss over the line to dry. Great for use outdoors, however do not leave in direct sunlight or rain full time due to UV exposure. Store clean and dry.

Recycled Large Mat Aboriginal Design

* **146526** "Reconciliation" Brown/Black/White \$149.95

As an Aboriginal artist Angela Marr-Grogan is passionate about Reconciliation and building stronger relationships between the wider Australian community and Aboriginal and Torres Strait Islander people. 'Reconciliation' is a special piece that symbolises partnerships and working together to create positive change. The inner concentric circles and the outer circles represent community and organisations, with the layered dot work symbolising people coming together to improve and build closer relationships. Size: 3m

* **146527** "Campfire" Black/Orange/White \$149.95

Campfires were not only a source of warmth and for cooking, they also were a point of gathering. 'Campfire' is a bold piece that symbolises a meeting place on country/land, and represents a gathering of a tribe to reconnect and share dreaming stories. Size: 3m

Recycled Large Mat Torres Strait Island Design

* **146528** "Turtle Circle" Bronze/White \$129.95

Waru, the turtle is a significant part of the life and culture of Torres Strait Islander communities and Aboriginal communities in the Far North of Australia. The Green Sea Turtle not only provides food to the people, but as a symbol, it is a demonstration of the continued and ongoing cultural, spiritual and economic relationship between people and the ocean. Waru is our past, our present and our future. Size: 2.7 x 2.7m

The Mud Kitchen set of 2 is perfect for messy sensory play. Children learn best when they are outdoors and are connected with their natural environment. The Mud Kitchen provides children with fun, natural and creative outlet to explore, learn and work together in a natural environment. The Mud Kitchen can be used with sand, dirt, water, plants, cooking utensils and of course mud. This is no ordinary piece of equipment, this has been designed to be large enough for children of all ages or multiple children to play at the same time. This beautiful item is constructed with solid hardwoods Vic Ash and Merbau, the frame being Vic Ash and the slats being Merbau. The sink is stainless steel and includes the option to have a real working water pump. Our heavy duty construction ensure many years of play, whilst our beautiful design will make this the centre piece of any outdoor play area.

To nurture a child's love for water we believe it is important for them to play with it and learn about it. What better way to play than to have a great time pumping water using the included water pump and watching the water flow down the channels that the child has placed themselves. Using special hooks that lock into the wall the kids can then place the water channels strategically in the hooks to try and get the water back into the bucket without wasting any water. With the included pump the kids can learn how to minimize water wastage. The board and hooks are made from HDPE and the stand from aluminium creating a 100% waterproof rust proof product that will last years of play. Bucket not included.
