Ostheimer Play

# Ostheimer Play

For more than 70 years Ostheimer German toymakers have been carefully hand crafting wooden figures. All toys are from sustainable domestic forestry. Each product is a unique item individually shaped with love and care. All toys allow children to immerse themselves into the vivid imaginative world of play. Every piece of wood tells its own story. You can experience these stories through Ostheimer toys. The surfaces are not sealed but rather the careful treatment with paints and organic oils gives children the possibility to experience the vitality of the wood with all their senses.
