Paper straws are by far the most environmentally friendly straw available, particularly when compared to plastic, as they breakdown faster and are safer for our marine environment. Made from a 3 ply premium food grade Kraft paper, with no waxes, and only 0.6% food grade glue, our range of paper straws can be universally considered compostable and biodegradable. These straws are FSC Certified (Forest Stewardship Council), so the paper used to make them is sourced from sustainable forests in a controlled environment. These straws have been tested and conform to worldwide standards and even arrive to you in an eco-friendly, 100% recyclable dispenser pack.
