Large knobs help children to grasp, hold and fit the piece into place

Floor puzzles encourage children to participate in group activities, promote communication and cooperation as they work together to solve the puzzle and help with lots of gross motor activity as they stretch and maintain balance looking for that "right" piece. All Tuzzles floor puzzles are precision 9mm thick laser cut shapes with vibrant colours printed directly on the wood, easy to wipe clean and supplied in a Calico storage bag.

Large chunky pieces are great for small hands.

Fox Puzzles of London are unique. The mosaic wooden puzzles are unlike any other puzzle, they are laser cut and handcrafted from the paintings and designs of Melanie Ann Juliette. Melanie's inspiration comes from her life's experiences and looking out from her windows in her purpose built art studio that overlooks her garden, located in Kent, England. Inspiration is also drawn from her travels around the world. The beautiful and dynamic mosaic puzzles allow children and adults to enter a vivid world where life's wonders are portrayed with rhythmic imagination, dazzling colours and individual shapes for everyone to enjoy.
