Gluckskafer, a small family business located in the south west of Germany has been developing and producing a range of high quality open-ended, wooden and steel toys since 1945. Gluckskafer's mission is to bring beautifully crafted traditional toys to children following Waldorf and Montessori philosophies that encourage creative play and natural development. Gluckskafer products are ecological and completely safe due to their strong environmental commitment through their use of only selected wood, mainly Beech and Maple, from European forests FSC certified for sustainable forestry.

WOODEN BARN HOUSE

“Constructed in Indonesia from Suar, a brown hardwood from South East Asia, this timber barn house is large enough to hold a barnyard full of animals. The unique roof design of a partitioned felted woollen mat, to resemble corrugated iron, allows 360 degree play from all angles. The front doors have working hinges and a rear opening allows for greater access.”
