Walkboards & Cleated Planks

To achieve maximum longevity from your outdoor wooden products, regular maintenance is required. Please inspect regularly, if looking weathered or grey, it's overdue for oiling. For best results oil at least every 6 months (depending on use and local atmospheric conditions) using either natural linseed oil or a plain food grade vegetable oil.

Linseed Oil 1L

**159211** ..... \$14.95  
 Preserves, waterproofs and helps prevent wood rot in furniture and timber products outside. Used for treatment of walkboards, outdoor blocks and any timber products. Please check with timber manufacturers before use.

# Hardwood Timber Trestles & Additions

Ladders, Planks and Boards in the Hardwood Timber Range will only fit these Trestles. Metal attachments will not fit the thicker timber rungs. Selected quality hardwood timber is used to manufacture this range. Products are sanded to a smooth finish and finished off with Raw Linseed Oil which brings out the beautiful natural colours of the timber and help to provide protection from weather. It is recommended that your planks are re-oiled using Linseed Oil yearly to keep your planks in good condition and looking fresh. Suitable ONLY with the Hardwood Timber Trestle Range.

**Aussie Play Water Play Board**

146281 ..... \$799.95

To nurture a child's love for water, we believe it is important for them to play with it and learn about it. What better way to play than to have a great time pumping water using the included water pump and watching the water flow down the channels that the child has placed themselves. Using special hooks that lock into the wall, children can place the water channels strategically in the hooks to try and get the water back into the bucket without wasting any water. With the included pump, children can learn how to minimise water wastage. The board and hooks are made from HDPE and the stand from aluminium, creating a 100% waterproof, rust proof product that will last years of play. Bucket not included. Size: 120 x 50 x 80cmH Age: 3+ yrs

# Aboriginal Designed Recycled Mats

(made from recycled shopping bags)

These mats are designed using Indigenous symbols, the symbols are used as a form of communication, a way to tell a story, instruction or direction. The versatility, light weight durability of the recycled polypropylene play mats are only enhanced by how easy they are to keep clean. Simply vacuum up the spills, give the mat a quick wash with soapy water, then toss over the line to dry. Great for use outdoors, however do not leave in direct sunlight or rain full time due to UV exposure. Store clean and dry.

SUITABLE FOR  
OUTDOOR / INDOOR USE  
EASILY WASHABLE

 Mox is a ball with a big mouth. Mox eats marbles, coins, and other things that rattle nicely in it's stomach. Mox also enjoys rolling, being thrown and caught or even juggled. Unlike any other ball, Mox has the ability to balance and form towers together with other Mox balls. Size: 5cm Dia

**Moluk Oogi Family Set**

**131927** 4pcs ..... \$49.95  
 Made from high-quality, food-grade silicone rubber. Oogi is an irresistibly tactile and wonderfully expressive new figure toy. With suction cup head, hands and feet, and long stretchy arms, it connects to any smooth surface. Oogi's happily live on a Bilibo but they have also been spotted playing in the bathtub, on fridges or mirrors. Oogi's are very social beings, they love to touch, embrace, form chains and do crazy acrobatic tricks. Their favourite hobbies are Oogi Yoga, extreme climbing or darting onto windows and other targets. Oogi Bongo's are safe, durable and easy to clean as they are dishwasher safe. Size: 13cmH

To nurture a child's love for water we believe it is important for them to play with it and learn about it. What better way to play than to have a great time pumping water using the included water pump and watching the water flow down the channels that the child has placed themselves. Using special hooks that lock into the wall the kids can then place the water channels strategically in the hooks to try and get the water back into the bucket without wasting any water. With the included pump the kids can learn how to minimize water wastage. The board and hooks are made from HDPE and the stand from aluminium creating a 100% waterproof rust proof product that will last years of play. Bucket not included.
