Gluckskafer Construction

Gluckskafer, a small family business located in the south west of Germany has been developing and producing a range of high quality open-ended, wooden and steel toys since 1945. Gluckskafer's mission is to bring beautifully crafted traditional toys to children following Waldorf and Montessori philosophies that encourage creative play and natural development. Gluckskafer products are ecological and completely safe due to their strong environmental commitment through their use of only selected wood, mainly Beech and Maple, from European forests FSC certified for sustainable forestry. All wood waste is collected and recycled and only certified water based paints are used.

Gluckskafer Wooden Coloured Shapes

* 113804 Sunrise 10pcs..... \$64.95

The lovely contours of the earth below contrast with the rounded dome of the Blue heaven above, with the rays protecting the rising sun within their warm embrace.

* 113805 Sundown 10pcs..... \$64.95

The lovely dome of the sea below contrast with the rounded dome of the purple heaven above with the rays overlaying the setting sun within their evening glow. This is represented in this German made, wooden block set. A tactile, visual open ended product that can be stacked, pieced together or taken apart in puzzle form. Size: 25 x 7 x 13cm Age: 2+ yrs

Gluckskafer Large Wooden Play Blocks

* 113802 Coloured 17pcs..... \$44.95

* 113803 Natural 17pcs..... \$44.95

These high quality wooden blocks are protected with durable and firmly adhering water-glazed colours, which underline the wood character - in contrast to painted surfaces. The wood grain shines through and the surface looks a bit rougher, so that the blocks do not slip which is a benefit for sensory development. The building blocks are child-friendly wooden toys for creative play and can also be stacked in a certain formation to create a puzzle. They promote visual perception, hand-eye coordination and dexterity. The pieces range in size from 6.5 to 15cm and come in a convenient net bag. Age: 2+ yrs

Natural Lichee Blocks

The natural Lichee wooden range of products are handmade from sustainable & recycled timber. The wood comes from Vietnam and uses unusable tree tops & surplus timber from paper production & branches from fruit tree pruning's. All products use only non-toxic & child safe finishes. The ethical commitment to the environment & to the community where production is housed has been central to the manufacturers philosophy since its inception in 2004. A percentage of all sales go to help and support Stars of Vietnam who care for, and educate children affected by Agent Orange. Designed with Steiner principles in mind, many parts are moveable providing open ended play. Children engage in play because it is fun and therefore Lichee products provide a unique experience inspiring creativity and imagination where children will develop their own story scenarios. All pieces are handmade, therefore some variations may occur.

Magformers

Magformers consists of bright, colourful and fun educational magnetic shapes. Each piece contains encapsulated 360 degree rotating magnets that always rotate to attract to the magnet encapsulated in the next shape. Rather than the usual stacking or interlocking block, Magformers can be connected in any direction in 3D. This is due to the powerful rotating magnets within each piece. Magformers are easy to assemble and disassemble when compared to blocks that insert or interlock to assemble. Magformers pieces are not designed only for stacking purposes like normal blocks, they are designed to demonstrate amazing connecting power regardless of their direction.

SCIENCE

Develop scientific thinking utilising the principles of magnetism

TECHNOLOGY
