MASTERKIDZ WALL ELEMENTS

The Masterkidz Wall Elements learning board range is so versatile and flexible, that boards can be permanently mounted on a wall using the Masterkidz mounting system or used with free-standing painting windows or on a table using the desktop model. The wall panel mounting system allows teachers to easily set up their desired wall panel combinations, not requiring a tool, just the turn of a knob. The system can hold up to any 5 Masterkidz Education Wall Elements. Installing and un-installing 1 wall panel will take less than 1 minute. With this system, teachers can change the wall elements in different themes such as sensory training, games, motor skills training, science, etc. The wall mounting system consists of end bars, single and double panel extension units. A set of end bars with any combination of extension units will make up a wall element mounting system. If wall space is limited, then the 46 x 46cm learning boards, easily fit neatly into the standing painting window or desktop window, creating a new activity each time.
