# MASTERKIDZ WALL ELEMENTS

The Masterkidz Wall Elements learning board range is so versatile and flexible, that boards can be permanently mounted on a wall using the Masterkidz mounting system or used with free-standing painting windows or on a table using the desktop model. The wall panel mounting system allows teachers to easily set up their desired wall panel combinations, not requiring a tool, just the turn of a knob. The system can hold up to any 5 Masterkidz Education Wall Elements. Installing and un-installing 1 wall panel will take less than 1 minute. With this system, teachers can change the wall elements in different themes such as sensory training, games, motor skills training, science, etc. The wall mounting system consists of end bars, single and double panel extension units. A set of end bars with any combination of extension units will make up a wall element mounting system. If wall space is limited, then the 46 x 46cm learning boards, easily fit neatly into the standing painting window or desktop window, creating a new activity each time.

Masterkidz Wall Elements

- \* 133613 Oral Care Learning Board..... \$159.95  
The Masterkidz Oral Care Wall Element board teaches good food groups from bad and also oral care. Show the class how to floss and brush your teeth after meals along with taste sensations on your tongue. Size: 46 x 46cm Age: 3+ yrs

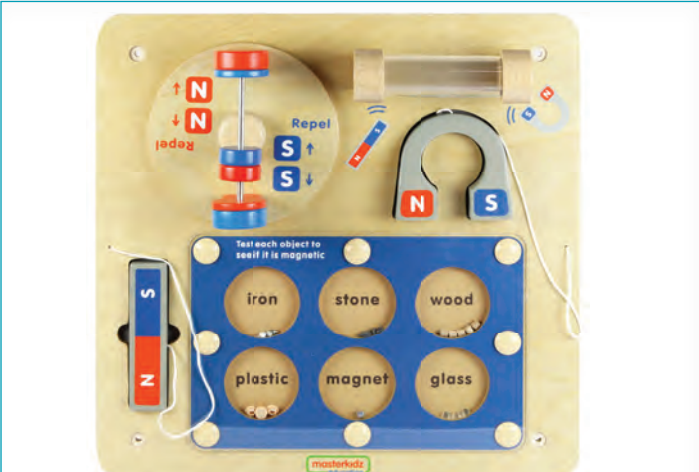

**NEW RANGE**  
FOR FULL RANGE OF WALL ELEMENTS SEE PAGE 140

- \* 133614 Lockers Board..... \$159.95  
This amazing Wall Element helps children learn to open six different lockers with a surprise behind each door. Each coloured door hides a matching flash card from the letters A to F and numbers 1 to 6 with a corresponding picture. Made from European Birch. Size: 46 x 46cm Age: 3+ yrs

- \* 133615 Temperature Discovery Board..... \$199.95  
Children will touch and feel different temperatures and be able to tell which one is warmer or cooler. There are 2 analogue thermometers, one liquid and one dial thermometer, so that children will know there are different ways to read the temperature. The 3 temperature comparison openings on the right show different temperatures when fingers are placed on any 2 of the 3 openings, there is always a warmer and a cooler one. Enjoy watching the visual effect on the surface when fingers are placed on the heat sensitive zone in the middle. Made from European Birch. Size: 46 x 46cm Age: 3+ yrs

- \* 133616 Magnetism Learning Board..... \$239.95  
A resource designed for children to experience magnetism. The magnetic bar and horseshoe magnet are detachable, allowing children to hold the magnet and place it on the material windows to test how materials react differently. Children can also place magnets on the sliding magnet to experience how magnetic force can lift and move objects, also showing how magnetic power can overcome the weight of an object. When placing the magnets close to the liquid tube filled with metal powder, children will be amazed by how the powder react to magnetic fields. Size: 46 x 46cm Age: 3+ yrs

- \* 133617 Time Learning Board..... \$189.95  
More than a time learning board, this toy provides interactive sand timers allowing children to "feel" the time. A flip book of different digital time readings will work together with the analogue learning clock. The 2 sand timers mounted on turning plates encourage concentration. Sand timers are in 1 minute and 5 minute intervals. Sand timers can also be used as task timers in other activities. Made from European Birch plywood. Size: 46 x 46cm Age: 3+ yrs
