Natural Lichee BIG Vehicles

The natural Lichee wooden range of products are handmade from sustainable & recycled timber. The wood comes from Vietnam and uses unusable tree tops & surplus timber from paper production & branches from fruit tree pruning's. All products use only non-toxic & child safe finishes. The ethical commitment to the environment & to the community where production is housed has been central to the manufacturers philosophy since its inception in 2004. A percentage of all sales go to help and support Stars of Vietnam who care for, and educate children affected by Agent Orange. Designed with Steiner principles in mind, many parts are moveable providing open ended play. Children engage in play because it is fun and therefore Lichee products provide a unique experience inspiring creativity and imagination where children will develop their own story scenarios. All pieces are handmade, therefore some variations may occur.
