Celebrate with Fireworks

What we Used

Pipe Cleaners Long 100pk

111139 \$5.50

Cover Paper A3 Assorted

114034 \$49.95

Assorted Paints - Bright & Fluoro Colours

Steps

1. Cut pipe cleaners in half and secure with masking tape. Fold the pipe cleaners down flat.
2. Prep your paper and paint - best to use paper plates so pipe cleaners can be dipped easily to create the "fireworks" effect.
3. Dip your pipe cleaner into the paint and onto the paper. Use different colours to create a sky full of fireworks. Allow to dry.

Celebrate with bright and colourful fireworks
