Step by Step:

- 1 Attach an Egg Template onto the glass using blu-tack. (We used recycled paper)
- 2 Using paint you have on hand, paint the Glass Mug. (We used EC Pearl Junior Acrylic Blue 112637)
- 3 Once the paint is dry, peel off egg template. Cut a piece of Jute Mesh and tie around the top of the mug. Give the mug as a present filled with lollies or small Easter eggs.
