Steps

1. Lay 2 doilies on your canvas, we went with one in opposite corners. Tip: Stick the doilies down on the back of the canvas.
2. Pick your Christmas inspired colour - we have used Liquicryl Brilliant Red - paint your canvas including over the top of the doilies. Allow to dry then peel off doilies.

3. With another colour paint child's feet and have them make a feet impression on the canvas. Allow to dry.
