STEAM: DESIGN A MAZE

What we Used

- Paper Plates White 50pk Large
115050 \$8.95
- Paper Straws 200mm
Complete Set 2000pk
119668W \$69.95
- Wooden Round Beads 50pk
111137 \$8.50

Steps

1. Cut straws in various lengths. Glue onto paper plate at different angles to create paths - making sure they are wide enough for the bead to run through.
2. Test your mazes and talk about the challenges created with this activity.

Allowing children to think for themselves and be challenged in making a product from start to finish using STEAM elements
