## Glitter Play Dough

### Ingredients

- 2 cups plain flour
- 2 tbsp cream of tartar
- 1/2 cup salt
- 2 tbsp vegetable oil
- Up to 1.5 cups boiling water
- Food Colouring
- Glitter

### Method

1. Mix the flour, salt, cream of tartar and oil in a large mixing bowl
2. Add a couple of drops of food colouring to the boiling water
3. Gradually add the coloured boiling water to the dry ingredients, stir constantly until it begins to feel sticky and the dough combines.
4. Once the dough has cooled down, add your desired amount of glitter and knead for a few minutes until the stickiness has gone. This is very important to make the right consistency of dough.  
NOTE: If it's still too sticky, add a touch of flour
